

Monterrey Airport Enhances Global Connectivity: Direct Route to Paris Operated Permanently by Aeromexico

- Aeromexico to maintain regular operations for the Monterrey–Paris direct route with three weekly frequencies aboard Boeing 787 Dreamliner aircraft.
- The permanence of this route strengthens Monterrey Airport's global reach and fosters opportunities for tourism, business, and investment between Northern Mexico and Europe.

Monterrey, N.L., July 13, 2026. – Grupo Aeroportuario del Centro Norte (OMA) proudly announces that Aeromexico has extended the Monterrey–Paris (Charles de Gaulle) direct route into a permanent operation. This decision reinforces the international connectivity of Monterrey International Airport and establishes the city as a primary connection hub between Northern Mexico and Europe.

The decision is driven by increasing demand for long-haul connections and the collaborative efforts of airlines, authorities, and OMA to expand connectivity options for passengers and businesses. It also highlights the significant impact of ongoing investments in infrastructure designed to strengthen the region's connection to transatlantic markets.

The growth in both domestic and international connectivity is further reflected in positive passenger traffic trends. In June alone, the terminal hosted 1,327,028 passengers, including 235,985 international travelers, underscoring Monterrey's appeal as a destination for business, tourism, and global events.

Launched initially as a seasonal route from April to October 2026, the Monterrey–Paris route has demonstrated consistent growth, supported by strong demand from both business and leisure travelers. With Aeromexico's decision to maintain indefinite operation, the route will operate three weekly frequencies aboard Boeing 787 Dreamliner aircraft, enhancing Monterrey's connectivity with Europe while complementing existing services to Madrid.

ROUTE	DAYS	DEPARTURE	ARRIVAL
Monterrey - París (CDG)	Monday, Thursday, Saturday	18:05 h	11:45 h + 1h*
París (CDG) - Monterrey	Tuesday, Friday, Sunday	14:00 h	19:35 h

"Customer response to this route has exceeded our expectations. With this extension, we will continue fostering commercial exchange and promoting tourism between Northern Mexico and France, providing passengers greater opportunities to connect with their favorite destinations, while simultaneously strengthening our presence in Europe," stated **Giancarlo Mulinelli, Senior Vice President of Global Sales at Aeromexico.**

Nuevo León's Secretary of Tourism, Maricarmen Martínez Villarreal, emphasized: *"Having direct flights to Paris year-round strengthens Nuevo León's international connectivity and creates new opportunities to attract visitors, investments, events, and business. We will continue pushing initiatives that allow our state to connect with more global markets and boost its competitiveness in tourism and the economy."*

"The permanence of the Paris route highlights the results of coordinated efforts and investments between Aeromexico and OMA to foster connectivity at Monterrey International Airport and consolidate long-haul routes. It also reflects OMA's mission to position Monterrey Airport as the hub of Northern Mexico," commented **Ricardo Dueñas, CEO of OMA**.

This development underscores OMA's strategic vision for the comprehensive growth of Monterrey International Airport, supported by the expertise of its partner, VINCI Airports. Through sustained investments in state-of-the-art airport infrastructure, OMA reaffirms its commitment to enhancing the airport's operational capacity and expanding its route network. These initiatives ensure Monterrey remains a critical driver of regional competitiveness, propelling Nuevo León's economic development, tourism, and global connectivity.
