

OMA and Aeroméxico Announce New Nonstop Monterrey–Paris Route

- Aeroméxico will operate three weekly flights between Monterrey and Paris starting April 13, 2026.
- Monterrey now offers more than 25 active international routes, strengthening its position as the most important air hub in northern Mexico.

Monterrey, Nuevo León, November 10, 2025 – Monterrey International Airport, operated by Grupo OMA, together with Aeroméxico, announced the launch of a new nonstop flight between Monterrey and Paris Charles de Gaulle, which will begin operations on April 13, 2026, with three weekly frequencies operated on Boeing 787 Dreamliner aircraft.

This new route will connect northern Mexico with one of Europe's main air hubs, boosting the arrival of tourists, investors, and international visitors to Nuevo León, while consolidating Monterrey as the leading air connectivity hub in northern Mexico.

With this announcement, Monterrey Airport now offers more than 25 active international routes and over 60 total connections, surpassing 14 million passengers annually, according to data from OMA Airports.

"The opening of the Monterrey–Paris route, our second direct destination in Europe, reflects the results of OMA's long-term strategy to position Monterrey as one of Mexico's leading air hubs, and highlights the strong collaboration between OMA, airlines, and authorities to bring projects of this magnitude to life for the development of the region," said Ricardo Dueñas, CEO of OMA.

Flight Schedule:

Route	Operating Days	Departure	Arrival
Monterrey – Paris CDG	Monday, Thursday, Saturday	3:15 p.m.	9:45 a.m. (+1 day)
Paris CDG – Monterrey	Tuesday, Friday, Sunday	12:00 p.m.	3:30 p.m.

The service will be available from April 13 to October 23, 2026. With this route, Aeroméxico expands its long-haul network from Monterrey, adding Paris to its existing destinations of Madrid, Seoul, and Tokyo, while strengthening the state's global connectivity in alliance with SkyTeam.

With this new route, OMA reaffirms its commitment to continue promoting air connectivity and regional economic development, contributing to Monterrey's positioning as a global, modern, and competitive city.
