

## OMA Launches New Seasonal Torreón–San Antonio Route with Viva

- The new seasonal Torreón–San Antonio route began operations on November 22.
- The route will operate through January 10, 2026, with two weekly frequencies on Tuesdays and Saturdays.

**Torreón, Coahuila, November 24, 2025** – Grupo Aeroportuario del Centro Norte (OMA) announced the start of operations of the new seasonal Torreón–San Antonio route, operated by Viva for the December holiday travel season. This route expands the international connectivity of Torreón International Airport, providing more travel options for passengers from the Laguna region.

The route began operating on November 22 and will remain available through January 10, 2026, with two weekly frequencies, further strengthening the international air connectivity of Torreón International Airport.

### Flight Frequencies and Schedule

Route	Operating Days	Departure	Arrival
Torreón – San Antonio	Tuesday & Saturday	11:05 a.m.	12:30 p.m.
San Antonio – Torreón		1:30 p.m.	2:55 p.m.

“We aim to continue strengthening our regional airports by providing greater connectivity to drive economic development in cities across northern Mexico and improve the quality of life of their residents,” said Ricardo Dueñas, CEO of Grupo OMA.

With this seasonal operation, Torreón International Airport expands its international flight offering during the peak travel season, facilitating access for passengers to one of Texas’ most important tourism and business destinations.
